

NEXO LOUDSPEAKERS

FOR SHOWS THAT **STAND OUT** FROM THE CROWD

Loved by leading live sound system designers and chosen to power some of the world's biggest artists and events, NEXO speakers deliver truly memorable experiences night after night, from packed clubs to huge stadiums.

With a highly musical audio performance, exceptional system scalability, focussed audience coverage and one of the best power-to-size ratios in the industry, when it comes to sound reinforcement that enhances every show - nothing else comes close.
